Other Notes:

Download speeds refer to the speed at which you receive information from the Internet. Upload speeds refer to the speed at which you send information on the Internet. Speeds are all "UP TO" not guaranteed.

All DIGITALTV choices (W, X, Y, or Z) include: 1 Gateway, and up to 3 remote controls. High-definition service for your high-definition TV is available at just \$14.95 /month. All DIGITALTV services are available without a phone service package—please inquire about pricing.

All prices are subject to change; prices do not include taxes, fees, or surcharges, residential pricing only, installation extra—please inquire.
[Current Pricing as of December 21, 2009]
